Re: ICWG/Meeting

Date: February 16, 2006

Two items of interest below:

1. New Members of the Ice Core Working Group
2. 2006 ICWG Meeting Registration

1. New Members of the Ice Core Working Group:

The ICWG has selected a new chair and members to replace those rotating off.

The new Chair is Eric Saltzman - UC-Irvine

New members are:

Howard "Twit" Conway - UWashington

Ross Edwards - DRI

Arthur "Lonnie" Lane - JPL

Todd Sowers - Penn State

Eric Steig - UWashington

New Alternates include:

Tom Neumann - UVermont (will be filling in for Mary Albert at this meeting)

Rachel Obbard - Dartmouth

Brent Christner - Montana State

Returning members include:

Mary Albert - CRREL

Sridhar Anandakrishnan - Penn State

Karl Kreutz - UMaine

Scott Rogers - Bowling Green

Eric Saltzman - UC-Irvine

Larry Wilen - Ohio University

We would like to sincerely thank the members who will be rotating off the ICWG for their contributions: Jeff Severinghaus, Kurt Cuffey, Joe McConnell, Ken Taylor

2. ICWG Meeting Registration

The Ice Core Working Group will hold its annual meeting in Denver on March 30 and 31, 2006.

Below is a registration form that needs to be returned to NICL-SMO by March 6 so we can finalize

the meeting details. Additional information on the meeting will be circulated in a couple weeks.

Meeting Location:

The meeting will be held at the Denver Federal Center, Lakewood, CO. We will be meeting in the Hayden Room, Building 810 (same building as NICL)

Agenda:

We are currently developing the agenda for the meeting. Issues for discussions include updates from DISC Drill development; DISC Greenland Drill test; NICL; NICL-SMO; Ice Core Projects; Walk through of the WAIS Divide core handling system; NICL tour; NICL storage capacity; IPY; SCAR. We still have time available on the agenda so if you have any specific items for the agenda, please let us know on the registration form.

Housing:

A block of rooms has been reserved at the Sheraton Denver West, 360 Union Blvd, Lakewood, CO. We prefer all reservations at the Sheraton to go through this office. We will provide the hotel with a rooming list on March 7. We will forward the confirmation numbers to those who have registered. The room rate is \$89 plus tax. As always, the ICWG members will be paid for by NICL-SMO. Others attend at their own cost. There are other hotels in the area these can be found at the NICL website: <http://nicl.usgs.gov/hotel.htm>

Travel:

ICWG members are encouraged to book their air travel as soon as possible to get the lowest rate. We plan to start the meeting at 8:30 AM on March 30 and request that ICWG members do not book flights before 6:00 PM on March 31 so we can run the meeting until 3:00 PM. If flights are not available to your final destination after 6:00 PM we will cover your stay Friday night at the hotel. There is shuttle service from Denver International Airport to the hotel but it may be cost effective to rent cars if attendees are arriving at similar times so please include your flight information when it is available. This will be coordinated by NICL-SMO once information is received. Transportation from the Hotel to the Meeting will be provided. More detailed information will be provided later.

Please let us know if you have any questions:

Registration:

PLEASE RETURN TO NICL-SMO BY MARCH 6, 2006
