ICWG Meeting Registration

The Ice Core Working Group will hold it's annual meeting in Room 3101 Croul Hall at the Earth Systems Science Building, University of California-Irvine on April 24 and 25, 2007. Below is a registration form that needs to be returned to NICL-SMO by March 30 so we can finalize the meeting details. Additional information on the meeting will be circulated in a couple weeks.

Agenda:

We are currently developing the agenda for the meeting. Issues for discussions include updates from the various groups involved in ice coring and ongoing projects. The main focus of the meeting will be on future ice coring projects for the US community. We sent out a "Call for Interest on Future Ice Core Projects" in June of 2006. While we have received some feedback on that request we really need more community support for ice coring projects. If you have interest in any ice coring projects we respectfully request you fill out the outline attached to this email and return to this office by March 16 so we can further refine the agenda. Travel assistance for those willing to present and discuss future projects at the ICWG meeting may be available. Please contact the NICL-SMO as soon as possible if you would like to present a project plan. We may still have time available on the agenda so if you have any specific items for the agenda, please let us know on the registration form or contact us directly.

Housing:

A block of rooms has been reserved at the Holiday Inn-Santa Ana
<http://www.ichotelsgroup.com/h/d/hi/1/en/hotel/jwaca?_requestid=203984>

We prefer all reservations at the Holiday Inn to go through this office. We will provide the hotel with a rooming list on April 2. We will forward the confirmation numbers to those who have registered. The room rate is \$92 plus tax. As always, the ICWG members will be paid for by NICL-SMO. Others attend at their own cost.

Travel:

ICWG members are encouraged to book their air travel as soon as possible to get the lowest rate. If ICWG members want to have NICL-SMO book and pay for their flights in advance, please send us the details. We plan to start the meeting at 8:30 AM on April 24 and request that ICWG members do not book flights before 6:00 PM on April 25 so we can run the meeting until ~3:00 PM. If flights are not available to your final destination after 6:00 PM we will cover your stay Wednesday night at the hotel. There is hotel shuttle service from Santa Ana Airport (SNA) to the hotel. Transportation from the hotel to the meeting will be provided. More detailed information will be provided later.

Please let us know if you have any questions:

Registration:

PLEASE RETURN TO NICL-SMO BY March 30, 2007

***** RETURN THIS SECTION to nicl.smo@unh.edu *****

Registration for ICWG meeting (April 24 and 25, 2007), Irvine, CA
