Date: February 16 , 2010

ICWG Meeting Registration

The Ice Core Working Group will hold it's annual meeting in Denver on March 24 and 25, 2010. Below is a registration form that needs to be returned to NICL-SMO by March 3 so we can finalize the meeting details. Additional information on the meeting will be circulated in a couple weeks.

Meeting Location:

The meeting will be held at the Denver Federal Center, Lakewood, CO. We will be meeting in the Hayden Room, Building 810 (same building as NICL).

Agenda:

We are currently developing the agenda for the meeting. We expect the meeting to begin at 8:30 AM on March 24 and end ~3 PM on March 25. Issues for discussions include the yearly updates from NICL, NICL-SMO, IDPO-IDDO, and ongoing coring projects. We will also reserve time for discussion involving Replicate Coring at WAIS Divide, locations for future DISC Drill deployment and other ice coring projects. We will also be discussing management and infrastructure issues at NICL along a possible change to the organization of the ICWG.

We probably have time available on the agenda if you have any specific items for discussion, please let us know on the registration form or send an email to nicl-smo@unh.edu.

Housing:

A block of rooms has been reserved at the Sheraton Denver West, 360 Union Blvd, Lakewood, CO. All reservations at the Sheraton must go through this office. We will provide the hotel with a rooming list. We will forward the confirmation numbers to those who have registered. The room rate is \$119 plus tax (including breakfast and internet).

Travel:

ICWG members are encouraged to book their air travel as soon as possible to get the lowest rate. We plan to start the meeting at 8:30 AM on March 24 and request that ICWG members do not book flights before 6:00 PM on March 25 so we can run the meeting until at least 3:00 PM. If flights are not available to your final destination after 6:00 PM we will cover your stay Thursday night at the hotel. There is shuttle service from Denver International Airport to the hotel but it may be cost effective to rent cars if attendees are arriving at similar times so please include your flight information when it is available. This will be coordinated by NICL-SMO once information is received. Transportation from the hotel to the meeting venue will be provided. More detailed information will be provided later.

Please let us know if you have any questions:

Registration:

PLEASE RETURN TO NICL-SMO BY MARCH 3, 2010

*****RETURN THIS SECTION to nicl.smo@unh.edu*****

Registration for ICWG meeting (March 24 and 25, 2010)

Name:

Are you planning on attending ICWG Meeting?

March 24 Yes or No
March 25 Yes or No
